June 23, 2011

Spine & Sport is excited to announce that we will be hosting the Inaugural Warrior Classic on September 23, 2011 at the Cherokee Rose Country Club in Hinesville, Georgia.

All proceeds raised will go to support the Wounded Warriors Project and SUDS Diving, Inc. (Soldiers Undertaking Disabled Scuba). More than 30,000 troops have been injured in recent conflicts, many of them suffering traumatic brain injuries, amputations and severe burns. The Wounded Warrior Project provides services and programs to ease their burdens and aid in the transition back to civilian life. SUDS uses the sport of scuba diving to help facilitate the rehabilitation process and promote physical and emotional healing. To date they have trained over 200 wounded warriors to dive. The dedicated staff members are American Red Cross volunteers and former or active duty military.

It is our hope that you will support this upcoming event in and assist the Wounded Warriors Project and SUDS Diving, Inc. fund their programs in benefits counseling, adaptive sports, advocacy and support for a lifetime.

We will reach out to you in the next few weeks to answer any questions you may have or to provide additional information about the tournament. We thank you for your consideration of this worthwhile event!

Warmly,

Beth Ann Walker
